State 4-H Rec Lab - *"Take the Green Challenge!"*

Take the green 4-H challenge and register today to attend the 2009 Montana 4-H Rec Lab. It will be held in Forsyth, March 20-22. Wally Badget, cartoonist and humorist from Miles City, will keep the participants in stitches during an active, engaging presentation. Twenty different workshops are being offered over the course of five sessions ranging from paintball and art to video production and a treasure hunt! Rec Lab provides youth an opportunity to meet other youth from across the state, develop leadership skills, and learn fun recreational activities that can be used in club settings, county events and at other unexpected moments. Rec Lab is for youth 13 years of age or older as of October 1, 2008. The registration fee is \$50. A Leaders College track is also being offered as a part of the event.
